

CALU

ONE DECISION.
 FOUR FULFILLING YEARS.

START PICTURING YOUR PATH AT CAL U ▶

You won't find the typical college experience at [California University of Pennsylvania](#), Firstname.

With more than **100 programs**, we can help you find the perfect one for you before freshman year even begins.

Our courses will also take you outside of the lecture hall as soon as day one – Applied Engineering students have the chance to design and test electrical circuits while Childhood Education majors introduce fresh ideas to K-12 classrooms.

Cal U can send you on a path toward success. [Let us know you're interested](#) and we'll get you more information on what your journey here might look like.
